Parent Volunteer Commitment (PVC) Contract

The Montessori School of Westminster is a non-profit school. Because the cost of operation is considerably more than is collected in tuition, all families are required to either pledge to serve 30 hours of Parent Volunteer Commitment time per year or pay a \$450 PVC fee. The PVC commitment is prorated for mid-year enrollees.

Parent participation is integral to the functioning of the Montessori School of Westminster. Without it, the school would lose its sense of community, and tuition would increase dramatically. Every moment parents spend participating makes our school stronger for the student. All jobs parents do are jobs we would otherwise pay someone to do, thus spending thousands of additional dollars.

PVC work is defined as those projects that the Montessori School of Westminster staff requests. The PVC administrator keeps track of PVC hours by PVC report forms. Families use the honor system to report PVC hours. (Continued in next column.)
