Winter Giving

"Free the child's potential, and you will transform him into the world." - Maria Montessori

The environment in which our children learn is so important. This holiday season, we invite you to give back and invest in the gift of a Montessori education to support this unique learning environment that nurtures the whole child. The Winter Giving drive is the school's primary fundraiser of the year and the main source of funding for MSW's Annual Fund.

This year, ***let's come together as an MSW community to fill our Winter Giving Tree!*** We want **everyone** to feel a part of supporting our school during this time of giving. **Every gift** is important! Each ornament on the tree represents our community's belief in our Montessori learning environment. **Help us achieve 100% participation from all our families by making your donation today!**
