

HIKE-A-THON PLEDGE TRACKER

Even if you don't do online fundraising, please enter hiking miles information in RunSignUp so we can track miles by class and for the whole school. Information must be entered in RunSignUp for student progress to be measured for prizes. Individuals are not able to upload offline cash/check donations directly into RunSignUp, but the account administrator for the school can upload donation information to student fundraising to be visible online.

Student's name _____

The Montessori School of Westminster is a non-profit institution and all funds donated go directly towards supporting the school, the students, and the staff by providing funds for initiatives such as: need-based scholarships, additional instructors in the arts, foreign language and physical health, and needed equipment for the students. By fundraising for such beneficial and needed items, we are able to continue to offer a Montessori education to those who otherwise may not be able to afford it and also keep tuition affordable for current students. Thousands of local families have benefited from our unique learning environment which encourages independence, self-discipline, and a passion for individual growth.
